REASONS FOR ALLOWANCE

1. This application has been remanded from the Board of Patent Appeals and Interferences.
2. The following is an examiner's statement of reasons for allowance: The prior art fails to teach or disclose a dispenser for a hand covering with a form configured to be grasped through the film such that the film temporarily clings to the user's hand with a set of interlocking chains or opposing belts on either side of the housing to retain the side edges of the film as it moves through the dispenser. U.S. Patent 6,604,660 to Gochanour and U.S. Patent 5,975,083 to Henderson, Jr. both disclose a dispenser with a form configured to be grasped through the film such that the film temporarily clings to the user's hand. Henderson also discloses rails (19) to restrain the side edges of film, but the rails cannot be considered a set of chains or belts.

U.S. Patents 7,082,979 to Stork, U.S. Patent 5,517,737 to Viltro et al. and U.S. Patent 3,554,419 to Robinson all disclose sets of interlocking chains and belts to restrain the side edges of film as it moves along a conveyor. However, as Gochanour and Henderson, Jr. both relate to stationary dispensers and not moving conveyors, to combine the teachings of Stork, Viltro et al., or Robinson would involve hindsight reasoning.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to LAURA M. LEE whose telephone number is (571)272-8339. The examiner can normally be reached on Monday through Friday, 8:00am to 4:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Boyer Ashley can be reached on (571) 272-4502. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
